NINETEEN HUNDRED AND TWENTY

The year 1920 proved, financially and numerically, to be the most successful in the history of the Order, our financial standing showing a marvelous growth, and the net gain in membership being the largest ever attained in any one year. This record was made possible by the constant, untiring, zealous work of the High Standing Committee, and the splendid co-operation of the officers and members of Subordinate Courts, whose care in selecting new members made it possible to have the lowest average age ever reported. Let us hope that, during the years to come, the same care in securing applicants will be maintained.

During 1920 the Order was most fortunate in having a normal death rate. Notwithstanding the net increase in membership of 3,996, only seven more deaths were reported over 1919. As a consequence, this resulted in the largest mortuary balance ever attained in the forty-two years existence of our Order.

OFFICERS

I desire to call the attention of the officers of Subordinate Courts to the importance of immediate transmission to the office of the High Secretary Treasurer, of official documents for record. Delay in forwarding initiations, suspensions, re-instatement of suspended members, change of designation of beneficiaries, withdrawal cards, and certificates of death retards the work of the office, and is liable to cause a serious situation to arise. This is particularly true on certificates of death. In a few cases, four months had elapsed before the official notice was received, and in a number of cases from two weeks to a month elapsed before the certificate of death was received at headquarters. This carelessness results in delaying the payment of the benefit due and, in some cases, consequent hardship.

More care should be taken in making out "suspension of a member" forms. A large percentage of these papers are returned for correction, in many cases to have the seal of the Court affixed, or for the signature of the proper officers, but in most cases they are returned for a statement as to the cause of suspension. The time spent in making these corrections results in a delay in completing the record. I would also call your attention to a common error made in making out the "re-instatement of a suspended member" forms, namely: the cause of suspension on the re-instatement paper does not agree with that given on the suspension paper. For example: A member may have been suspended, and the cause, as stated in the suspension paper, was the failure to pay mortuary calls; when the suspended member was re-instated, the cause of suspension given on the re-instatement paper was the failure to pay Court dues. Both papers must agree in every detail to avoid unnecessary delay in completing the member's office record.

Action is delayed on numerous applications on account of the carelessness of the applicant in answering the questions contained in the application blank, neglecting to designate a beneficiary, not giving the name and number of the Court into which he is seeking admission, or failure to sign the contract printed on the front page of the application blank. I, therefore, respectfully ask the Recording Secretaries to co-operate in eliminating the above mentioned causes of delay by carefully examining the applications presented to their respective Courts.

QUARTERLY REPORTS

In previous reports attention has been called to the failure of many Courts in forwarding to headquarters, quarterly reports. I regret to say this situation still exists. Sixty Courts during the latter part of 1920 failed to comply with the Constitution in this respect, and I respectfully ask the Representatives to this Convention to call the attention of the officers of their Courts to this very important duty.

NEW COURTS

During 1920, the following five new Courts were instituted:

April 5—Rev. James M. Supple Court, No. 265, of Charlestown, with fifty-six charter members.

May 2—Mystical Rose Court, No. 266, of East Walpole, with thirty-one charter members.

May 23—Rev. Joseph F. Mohan Court, No. 267, of Everett, with sixteen charter members.

November 7—Rt. Rev. James J. Chittick Court, No. 268, of Readville, with thirty-one charter members.

December 19—St. Gabriel Court, No. 269, of Salem, with twenty-eight charter members.

GENERAL FUND

The expense account payments during 1920 were in excess of other years. The increase in the cost of supplies over previous years was from fifty to two hundred per cent. The expenses incurred by the High Standing Committee in attending installations, public meetings, class initiations, anniversaries, and other Court functions, show an increase over former years. These increases are due to prevailing conditions. This situation also applies to the expenses of Deputy High Chief Rangers and Degree Staffs who took part in 273 installations during the months of January and October. An amendment, adopted at the forty-first Annual Session, changing the time of elections from December to September, and the installations from January to October, was the reason for the second installation of officers held last October. Another item of expense was the distribution of the M. C. O. F. Herald, free of charge, to the members of the Order during 1920. The High Standing Committee deemed it advisable on account of the increased cost of production, to discontinue the publication of the Herald after December 31, 1920. From the time of the first issue in 1918 until it was discontinued, the Herald proved to be a splendid medium for dispensing Forestry and keeping the Subordinate Courts in close touch with each other. It was indeed, unfortunate to terminate its career of usefulness, after more than two years of success.

HIGH STANDING COMMITTEE

During the year, the High Standing Committee held fifty-one meetings, with an average attendance of sixty-six and two-thirds per cent. In addition to this attendance at regular meetings, the members of the Committee have made eight hundred thirty-six visits to Subordinate Courts. The Committee has been active and zealous in the discharge of its duties, and the interest manifested individually by the members of the Committee has done much to obtain the excellent results achieved during the year 1920.

The Order has been benefited by the splendid leadership of our most worthy High Chief Ranger, Brother William J. Sullivan, and his valuable services to the Order are deserving of your kindest thought and appreciation.

The co-operation of all the members must not relax in the future because of the present strength of the Order. The greatest care must be exercised with reference to membership in the Order and every member and each Subordinate Court must co-operate with the High Standing Committee in securing only the best and most desirable risks. With this thought firmly in mind, the future of the Order is secure and its proud record of past achievements will be maintained and continued in the years to come.

With deep feeling of gratitude for the many courtesies extended to me during my tenure of office by the High Standing Committee, Deputy High Chief Rangers, officers and members of Subordinate Courts and best wishes for the welfare and happiness of each member of our beloved Order, this report is

Respectfully submitted,

JOSEPH J. FORRESTER,
High Secretary-Treasurer.

On motion of Brother Lanigan of Cathedral Court No. 1, seconded by Brother Barry of Iona Court No. 10, it was voted that the recommendation of the Committee on Credentials be adopted and its report accepted as progressive.

The High Chief Ranger presented to the Convention Rev. James H. O'Neil, LL.D., who addressed the delegates as follows:—

ADDRESS OF REV. JAMES H. O'NEIL, LL. D., HIGH CHAPLAIN

THE PRACTICAL CATHOLIC

Brother and Sister Delegates:

The two standards of the world, around which rally the human family are the standards of good and of evil; of light, of darkness; of virtue, of vice. It was ever thus, from that time when the rebellious angels under the leadership of Lucifer defied their Lord and Maker and for their sin were hurled from the ramparts of heaven into the prison of hell.

Think not that these fallen angels are deprived of their power. On the contrary, they are the power and rulers of the world of darkness. Their loss of God and the Beatific Vision, their jealousy of man, who is destined to succeed them in Paradise, fills them with insatiable hate that will be satisfied only by robbing God of the souls created and redeemed by the blood of Jesus Christ.

Two armies contend for the mastery; one led by Jesus Christ, the other by Satan. Men battle for right and justice. Men battle for sin and vice. To which army do you belong? For to one of them you owe allegiance. We cannot be neutral. A man must be for Christ and His Church or against them. He is either helping to build and strengthen the Church instituted by Christ, or by acts and words he is helping to tear it down. The one great question of our time: Are we doing all we can to promote the interest of God among men? Are we true soldiers of Jesus Christ, or are we emissaries of Satan?

Daily we cry out in the prayer taught by Jesus Christ "Thy Kingdom come." Such mockery! With lips we pray for God's Kingdom; with acts and scandals we seek to destroy it.

Am I with God? Am I a believer in the resurrected God? Have I faith? Have I religion? Do they regulate my life? Thank God I am a Catholic. I was brought to the fountain of

Baptism and there was cleansed from the sin of Adam. There I renounced the devil and all his works and pomps. As I grew to manhood, the Bishop anointed my forehead with holy chrism and I solemnly promised to be ever faithful to the dictates of holy faith and to give my life, if ever it was required of me, in the defence of God and virtue.

Thus in my early days I was a practical Catholic. With all the fervor and enthusiasm of youth I embraced the Lord and Him alone I vowed to serve. As time passed I was brought in contact with the world and its scandals, with vice and its allurring aspect. Did I waver in my allegiance to the Cross of Christ? Did I forget my Baptism and Confirmation vows? Alas, be it written in tears this is the sad, sad story of many a life.

But I did not choose to be a Catholic. Of course you did not, for you could not. The water of Baptism was stamped indelibly on your souls, the image of Christ, to be forever for weal or for woe, you cannot erase it. It remains forever a glory in Heaven or a condemnation in Hell. But are you a Catholic? Yes, so far as you cannot help it. Are you a practical Catholic? Or are you a Catholic in the daily practices of your life? Are your words, your acts, your thoughts, your aspirations as the law of God requires? Does your life ring true? Are the commandments of God and of His Holy Church abided by? Do you measure up to all the requirements of an honest, true Catholic?

What can be reasonably demanded of a practical Catholic? He must be a man of faith and a man of religion. Oh the precious gift of faith! This guiding light illumines the heart of man and guides him to God. Of all the gifts God has bestowed on man, there is none that surpasses the gift of faith. What would it profit a man if he gained the whole world, if all the pleasures, the riches of life were laid at his feet, and the gift of faith, that told him of God, was denied him? "All these," cried out Satan, "I will give Thee, if falling down you will adore me."

One of the Apostles, strange as it may seem, was lacking in faith. Easter week, after the resurrection of our Lord, the Apostles met in an upper chamber. Thomas was not there. When he returned, the others said to him, "We have seen the Lord." But he said, "Unless I shall see the marks in His hands and put my finger into His wounds, I will not believe." After eight days the Apostles were again together, and this time Thomas was with them. Our Lord entered and said, "Peace be to you." Turning to Thomas, He said to him with loving kindness, "Put in thy finger hither and see My hands; and bring hither thy hand and put it into My side; and be not faithless, but believing." Thomas, falling down in adoration cried out "My Lord and my God." Be sure ever after Thomas was a practical Catholic and gave his blood in defence of Christ and His doctrine.

Oh my dear Foresters, be proud of your costly inheritance. Never conceal it, never be ashamed to profess it, never blush for it, never let it be tainted by participation in non-Catholic enterprises. Ever guard, protect and preserve it, that by its radiance you may pass from faith to the realization of all it promises in time and eternity.

The practical Catholic is in the second place a religious man. His faith is like a seed that is planted. It is not dormant, and incomplete. It is on the contrary the grand work of a religious character which shines before men and leads them to God. Living in the midst of scandals and irreligion, the practical Catholic man preaches daily by his life and imprints deeply on the hearts of his fellow man the command which the Creator thundered forth on Mount Sinai, "The Lord, Thy God thou shalt adore and Him alone shalt thou serve." He is a beacon light. therefore, to those in darkness, a spur for the lagging, a staff for those who falter. The religious man is truly a man with many virtues, walking before God with the intention of always doing His will, kneeling before God's altar while the holy Sacrifice of Calvary is renewed, his heart is with God. He is always mindful of God's presence, of that presence which sees his every act and thought and heart's desire. In speech he guards his lips with prayerful zeal, lest they offend charity or justice. The religious man is a man of prayer, constantly acknowledging before God his own helplessness, selfishness and weakness, he offers up his humble, confident and persistent prayer. Such is the religious man. Apply this test to your lives and see if you measure up to the character of a true follower of Christ.

What has all this to do with Foresters? How does it affect our great Order? To be a Forester, true and staunch, you must not only be a Catholic, but you must also be a practical Catholic—At Communion at least once a year at Easter time—Attending Mass on Sundays and holy days—Observing the commandments of God and of His Holy Church. Failing in these, are you worthy to become a member of this great Order? Investigating Committees must look into the conditions and be assured that any applicant for membership is not only a baptized Catholic, but also an everyday practical member of Christ's Church.

It will surprise you to know that we have in our history paid the $1,000 to Protestants—That divorced people have applied for membership and their cases referred to the High Standing Committee, and the High Court Chaplain.

Our beloved Order will suffer if this be allowed to go on. Laxity in faith and morals and lack of the true, strong and practical faith must not be found in our ranks. To live for God, for the protection of widow and orphan, our lives must be pure and honest and faithful in all things that concern God and His Holy Church. "Learn of Me," says our Divine Master, "for I am the way, the truth and the life."

On motion of Brother Thomas F. Kelley of St. Jerome Court No. 113, seconded by Brother John McGaffigan of Father Supple Court No. 265, it was voted that the address of the High Court Chaplain be accepted and spread upon the records of the Convention.

At this time the business of the Convention was suspended when the High Vice-Chief Ranger announced the arrival of his Excellency Channing H. Cox, Governor of the Commonwealth of Massachusetts, who was escorted to the platform by the High Conductors.

The High Chief Ranger introduced Governor Cox to the Convention, who, after an enthusiastic reception welcomed the delegates and extended to them the greetings of the Commonwealth. The Governor paid a splendid tribute to the High Chief Ranger and made an inspiring address which was enthusiastically received.

On motion of Sister Margaret Murphy of Ave Maria Court No. 160, seconded by Brother James McCabe of Jamaica Plain Court No. 261, it was voted that a rising vote of thanks be extended to the Governor for his spirited words of welcome this morning.

At the conclusion of the Governor's address the business of the Convention was resumed.

Brother James F. Grady of SS. Peter and Paul Court No. 15, took the floor at this time to say an honor had been conferred upon him by his Court in delegating him to present to the High Chief Ranger, Brother William J. Sullivan, a token of their esteem. Brother Grady then presented to the High Chief Ranger a beautiful watch charm suitably inscribed. The High Chief Ranger in accepting the gift ex-

pressed to S.S. Peter and Paul Court, through its delegates, his deepest appreciation and sincere thanks.

The High Chief Ranger called upon P. H. C. R. Brother Joseph T. Brennan to take the chair.

P. H. C. R. Brennan called upon the High Chief Ranger to address the Convention.

ADDRESS OF HIGH CHIEF RANGER, WILLIAM J. SULLIVAN

Again the cycle of time has gone the round of the clock, and we are here to render our report of the work entrusted to our care one year ago:

We are here to perform a sacred duty to ourselves and to our beloved Order; let us trust that the Divine Blessing that has already been invoked for us will be granted and that our deliberations will bear rich fruit in what the day brings forth, will redound to the credit of ourselves and this great organization.

Be careful in our judgments, be wise in our counselings and be cool in our deliberations and the results that are achieved will be very satisfactory to all.

MEMBERSHIP OF THE ORDER

The character and the standing of the membership of the Order has always been one of pride to its members, so we can truly say to the Order at large that the class of candidates that has been initiated into the Order during the past year is in all respects up to the splendid standard so well established in the past both in character as well as in physical excellence. Membership in our Organization carries with it a distinction of loyalty to Holy Mother Church as well as loyalty to our Beloved Country and to this Grand Old Commonwealth.

We must always bear in mind that this Order is not a flower that was born to blush unseen, but the fragrance of its beauty has spread and is spreading so that it is reaching the hearts of thousands each year who are being enrolled in our midst, therefore, we must not imagine, or allow others to think we are wasting our sweetness on the desert air.

The year ending with December 31, 1920, gave wonderful evidence of the great hold our Beloved Order has upon the affection of the Catholic people of this Commonwealth, the attraction to our fold of more than five thousand members who were in need of insurance is the most powerful guarantee of the stability of this great work that we are carrying on with.

During the year we had admitted into the Order men and women of the highest type of Catholic manhood and womanhood to be found in this State. There is no necessity of offering any apology for their membership, the physical qualifications exacted by our medical examiners warrant them as extremely good risks.

We have met with the usual losses in death, resignation, and suspension; by death we had 544 and all other losses amounted to 569, making the total losses for the year 1,113, giving us a membership on the first day of the year 1921 of 51,132, a net gain during the year of 3,996.

Never before in the history of our Organization has there been greater devotion to the interests of this great work than was shown during the past year. The support given without stint by the Clergy of the entire state regardless of what activities they may have had under way was wonderful, they have always lent a helping hand, cheerfully, willingly and loyally for which I take this opportunity to express on your behalf our utmost gratitude.

NEW COURTS

During the past year there have been five new Courts instituted: No. 265, Rev. James M. Supple Court of Charlestown with fifty-six charter members. This Court was instituted on the fifth day of April 1920. It is composed of men and women, and the average age was 29.4.

IN MEMORIAM

There passed from our midst during the past year a Priest of God, who had given yeoman service to this Order in the springtime of its life, guiding and advising the leaders with whom he served with great intelligence and foresight, avoiding many obstacles that appeared in the path of the Organization and showing by his wisdom that he was a real leader of the people.

It was my good fortune to have first been thrown in contact with him when I was a boy going to Sunday school, where he was located as a Curate, and where he directed the minds of the youth towards their God.

As a Priest he taught high ideals by example, he was a firm believer in truth, integrity, and justice, he was a great Churchman, he was a strong friend, and a noble citizen, bearing a great Celtic name that lost none of its brilliancy by his wearing it. When he passed away the Order, the State, the City, the Nation, and Holy Mother Church were the losers by his death; let our sincere prayer be that the soul of the late Reverend Hugh Roe O'Donnell, Past High Court Chaplain of this Order has won the goal that he in life had trained himself to win, an abiding place with his Heavenly Father for all eternity.

DELINQUENCY

The following letter was received from Rev. Michael J. Scanlan, STL, Director of the Catholic Charitable Bureau of the Archdiocese of Boston:

My dear Mr. Sullivan:

The approach of the Annual Convention of the High Court of the Massachusetts Catholic Order of Foresters near at hand offers me the occasion to extend to you, and through you, to the members of the High Court my sincere gratitude as Director of the Catholic Charitable Bureau for the splendid help which your Order has given us during the past year in our work for the protection of delinquent Catholic children. I am sure that neither you nor the members of your organization realize the tremendous encouragement that the substantial contributions of the various Courts of Foresters give to us in this Bureau in our efforts for the betterment of the less fortunate among our Catholic children.

Since your Annual Convention of 1912, your great Order has contributed each year a very substantial sum to the Catholic Charitable Bureau of the Archdiocese of Boston for the main-

tenance of one of its most necessary activities. Your great Order has lived up very devotedly and very substantially to the promises made to this Bureau in the convention of 1912, and we cannot convey to you, and through you, to the members of the Order, too strongly how deeply grateful we are for all that has been done. In this expression of our gratitude I am conveying to you the appreciation so often expressed by His Eminence, the Cardinal, in your regard. His Eminence values very much indeed what the great Catholic organizations of this state are doing, to uphold our charitable works, and he is in a particular way grateful for what the Massachusetts Catholic Order of Foresters has done along charitable lines.

The purpose for which the Massachusetts Catholic Order of Foresters agreed to give to the Catholic Charitable Bureau annually their moral and financial support was that we Catholics might succeed in reducing very appreciably the number of our children, who from year to year, came under the control of public authorities because of delinquency or neglect. We are very happy to be able to say that since 1912 there has been a notable decrease in the proportion of the Catholic children in this state who came under the control and supervision of the public authorities. This is a fact that is altogether creditable to our Catholic people, and one that reflects very special credit upont the Massachusetts Catholic Order of Foresters.

During the year 1920 this Bureau received from your Order the sum of eight hundred and seventy-three dollars. While we are very thankful indeed for this substantial allowance, we sincerely hope that a greater number of the Courts, throughout the Archdiocese, can be induced to make a contribution to this work. If we were able to receive a contribution from every Court in the Archdiocese there is a much greater work, up to the present, left undone, which we should be very happy to take up.

While we are most appreciative of all that the Massachusetts Catholic Order of Foresters has done to date for the Catholic Charitable Bureau of the Archdiocese of Boston, may I urge upon you, and through you upon all the members of your Order, the worthiness of the cause for which we plead. We desire more money for nothing else than for the purpose of extending the finest sort of service to those of our Catholic children, who need our help.

We know that a mere suggestion of this matter to your Order will be sufficient to bring about the desired results. We wish the annual sum devoted to this cause to be in keeping with the importance of the work at hand, to be worthy of the great society that contributes it, and be a fitting contribution to the memory of those two splendid pioneers, Mr. O'Sullivan and Lawlor, who by their own tireless efforts and devotion to high principles made possible the Massachusetts Catholic Order of Foresters.

Wishing the members every success in the coming convention, I am, dear Mr. Sullivan,

Very sincerely yours,

M. J. SCANLAN.

COURT CHAPLAINS

Under the direct selection of the High Court Chaplain, Rev. James H. O'Neil, LL.D., and with the approval of the Ecclesiastical authorities in this state, there has been appointed a Priest as Court Chaplain to attend to the spiritual wants and to advise in the guidance of each Court in this great Order of ours:

These men are carefully trained for the wonderful vocation that they have chosen and our Organization has a special privilege in having their assistance and guidance in shaping the course that we pursue from year to year,

This is a wonderful unit for the successful carrying on of the work of the Order and I now in your behalf send to the Chaplains of this Order our sincere thanks for the wonderful co-operation shown during the years 1920 and 1921.

MEDICAL EXAMINERS

We have organized under the direct supervision of the High Medical Examiner, Doctor Hanley, one of the best units to be found in this Commonwealth, namely the Medical Examiners of the local Courts, all of whom are practically members of this Order.

The service that these men are giving this Organization is of the highest, the systematic organization that has been developed, the wonderful co-operation that has been shown by this large corps of trained men, giving to this Order a technical as well as a scientific training, is receiving the highest commendation from the members of this Organization, and I now in your behalf spread upon the records of this the Forty-second Annual Convention our sincere thanks and heart-felt gratitude for the fidelity and faithfulness in the service rendered the Order in the past.

DEPUTY HIGH CHIEF RANGERS

With the wonderful growth of our Organization and its great interests, the Deputy High Chief Rangers must give more attention to the detail work of the Courts over which they are appointed to preside.

Where the liabilities are growing so rapidly and its financial resources are mounting into large figures the Deputy must be more careful and more exacting and firmer in his conduct in supervising the Court's activities.

Again there has been too much wild and unnecessary criticism of the High Standing Committee coming from irresponsible persons that creates a very unhealthy sound. It has a dangerous tendency to stop the great work of securing good wholesome candidates who make splendid members for our Order.

The Deputies can stop this dangerous practice, take these critics sharply to task, reprove them for their wild statements, demand of them the proof of their criticism and if they fail order them to forever hold their peace.

Here again, there is another unit of wonderful power and force for carrying forward the work of our Order most successfully. With the great morale of this strong unit and the splendid cooperation that they are able to develop, it is easy to be seen why we have such a strong hold on the love, affection and esteem of the Catholic people of this great Commonwealth.

My dear Deputies, keep in mind the principle of Unity, next to the Medical Examiners, the unity of purpose that you develop by your efforts, by the co-operation you give the officers that preside over the Courts that you are in charge of, and by your attention to the details of your office, will give you the added feeling and strength of a duty well performed, and in the words of the Lecturer on Unity, "Let me say, with my single voice, I admonish you, remember your promises and perform your duty well."

DEGREE STAFFS

If I did not comment on the wonderful work done during the year by the various Degree Staffs, that give so generously of their time, their energy and their talents, I would be very amiss in my duty to this splendid department that reflects so much praise upon our beloved Order; their neatness in costume, their modesty of manner and demeanor in the work they perform is highly commendable to the entire force that they represent; their intelligence, their beauty, their accomplishments, and their splendid personality redound to the great credit of themselves and to our Order.

CONSTITUTION

After my long experience on the High Standing Committee, and the great expansion of our Organization I feel that the time has come for a complete revision of our Constitution.

The Constitution of this Order is the basic and fundamental law on which we have to work out the destiny of our Order. This law should be as sound as men and women of sound principles can possibly make it; I have found many ambiguities in the various sections of the Constitution which I recommend for revision.

Let me cite a very strong example of what I want to represent. A young man joins the Order. At the time of his initiation he is single; he later marries and brings into the world a family. At the time he joins the Order he names a brother or a sister as his beneficiary. When the proof of his death comes to headquarters, we find that there has never been any change made in the beneficiary by the deceased in his life-time for the protection of his family, and the widow and her children are deprived of what is theirs by all moral right as the dependents of the deceased.

Here is a good faithful woman, who has done her duty to her husband and her family, deprived of the protection that she was rightfully relying upon, and the very purpose which this Order was created for, namely, the protection of the widow and the orphan, is defeated.

I cite this as only one of the many instances that could be rectified by a complete revision of the fundamental law of the Order, the Constitution.

I earnestly recommend that this Convention authorize me as your High Chief Ranger to appoint a committee of five to revise and to re-write the Constitution and that said committee report their findings to the High Standing Committee on or before the 31st day of December, 1921.

That the High Standing Committee then submit the report of said committee on revision of the Constitution to the various Courts on or before the first day of March, 1922, on a referendum vote on the acceptance of said report and that the result of the referendum be announced at the next Annual Convention.

Now my dear Delegates, allow me to ask you a few simple questions: What did you do last year to earn the right to sit here as Delegates to represent your Court? To legislate for the 52,000 members of this Organization?

How many meetings of your Court did you attend? How many applications of new members did you present to your Court? Did your Court have a drive for new members? What part did you take in the drive? Did you try to interest other members to take more active interest in the wonderful work that the Order is doing?

Ask yourself these questions and then answer them to yourself, but, remember this: You are all members of this Order, that you have promised to work for us all the time, stand by us, speak well of us, think well of us, give us all of your loyalty and not a part of it, to give us your united support at all times, that you continue to encourage the confidence that has been established among the people of our faith, of the stability, of the soundness and the sanity of our Order.

I can do that with another that I cannot do alone; a sound apple produces seed, and a sound Forester secures others to become Foresters.

What this Order needs now more than ever, is personal service, that service that begets new members, keeps a watchful eye on the expenses of the Court and of the Order in the interest of economy, keeping a careful eye to see that the resources of the Order and of the individual Court always exceeds the output. This is the personal service that means so much not only to the individual, but to the entire Order.

As plants convert the minerals into food for animal use, so each man converts some raw material in nature to human use.

Now let us apply this principle to our own benefit, each Forester convert some young person that he knows into a Forester; what is good, is effective, particularly moral and mental force; it goes out from you, whether you will or not, and profits me whom you never thought of.

You cannot ever hear of personal vigor, such for instance as a great feat of strength, or a prodigious piece of mental work, a great power or performance, without making a firm resolution of doing something similar.

Let us develop with a stronger and firmer purpose a greater affection for one another, for there is a power in love to divine another's destiny better than that other can.

What has friendship so signal as its sublime attraction to whatever virtue is in us.

Let us adopt the philosophy of that great American, Abraham Lincoln, "When I am dead, I want it to be said of me by those who knew me best, that I always plucked a thistle and planted a flower where I thought a flower would grow."

There is a great deal of unrest throughout this great Country of ours, an evil spirit that is working severe harm, not only to the individual, but also to the State and Country.

You and I, as citizens of these United States, must fight this spirit with all our might and main so that this evil tendency shall not get control of our form of government.

FRATERNALISM has a wonderful influence on our government and all its institutions, it has had a wonderful influence in making this country the greatest land of Freedom that the World has ever known. See to it then that we as members of the Massachusetts Catholic Order of Foresters do nothing by inference, by implication or by direct action that will ever endanger the land of the free and the home of the brave.

We must develop in the minds and hearts of our members a desire to attend regularly our bi-monthly meetings and in this manner be brought in contact with one another so as to renew our interests in the life and success of the Order.

Let the Great Spirit of Fraternity reign amongst us and let the Order go forward and our love for this great Organization will be stronger and deeper than ever.

For seven years I have labored to the best of my ability for the advancement and development of this Order along well defined and progressive lines.

I have given the best my humble efforts could afford, so that this beautiful work of Forestry could be carried on for the welfare of those who are yet to come into our fold.

I relinquish my office with the deepest gratitude to the rank and file of the members of the Order for the courtesy always shown me in my official visits to the various courts; to you the delegates who have bestowed upon me the great honor of being the High Chief Ranger, I can only say that I thank you with the fullness of my heart; to my associates on the High Standing Committee, past and present, may God bless and strengthen you for the many sacrifices that you are called upon to make in the interest of the Order, and may He in His Divine wisdom give you special graces to carry on the principles of Faith, Unity, Fraternity and True Christian Charity.

WILLIAM J. SULLIVAN,
High Chief Ranger.

On motion of Brother Joseph A. Sheehan of Cathedral Court No. 1, seconded by Sister Margaret Leahy of Alma Mater Court No. 114, it was voted that the address of the High Chief Ranger be accepted and referred to the Committee on State of the Order.

High Chief Ranger Sullivan in the chair.

Address of the High Medical Examiner

At the Forty-second Annual Session of the High Court of the Massachusetts Catholic Order of Foresters, Wednesday, May 25, 1921

Sister and Brother Foresters:

The annual report of your High Medical Examiner is here laid before you, showing at a glance the work of the year just closed. Much can be learned from a careful perusal of the various tables, epitomizing the strict attention paid to our Order's welfare by the entire staff of trusted ladies and gentlemen who make up our medical corps.

During the year 1920 nearly six thousand men and women were examined for admission to our Order, with six hundred thirty-three rejections. This fact alone speaks volumes for the conscientious work of our local Examiners, and this work should and must be upheld by the entire membership of our Organization, if we desire to have the existing standard of the Medical Department maintained.

There have been a few necessary changes in the personnel of the staff of local Examiners during the past year, but I am pleased to state that for the most part we have today the same reliable men and women who have carried on this work so successfully for many years, and whose loyalty to this work and the Order's welfare is unquestionable.

The Mortuary table shows that five hundred forty-four members (366 men and 178 women) died during the year 1920.

EARLY DEATHS

The following table shows the number of deaths in members who were less than two years in our Order. In 1920 there were twenty-four deaths in this class. Investigation shows that practically none of these deaths were preventable, and when we take into consideration that in the past two years over ten thousand men and women were admitted with a total early death record of thirty-four for 1919 and 1920, our mortality rate for this class is well within the normal limits:

In many previous reports we have earnestly called your attention to a matter of great and far reaching importance to each Court and in a much larger sense to the Order itself, viz., the utter indifference to the work of investigating committees.

If any attention was ever given, if notice was even taken of our efforts to arouse interest in this most necessary work, the results in this office do not indicate it. With the rapid growth of the past two years likely to continue, the necessity for a rigid investigation of applicants is so apparent that we must insist that this matter be given the attention by the Subordinate Court officers that it demands.

There may be reasons, not apparent, why any Court may assume to set aside any section of the Constitution, but there are stronger reasons why that section relative to the "Duties of Investigating Committees" should be strictly observed.

Were it not for the assistance rendered this office by our local Medical Examiners in special reports along the lines that should be reported by Investigating Committees, many applicants recorded in the rejection tables would have been admitted to membership and later prove early liabilities. Despite this fact or perhaps on account of it, there is a growing tendency on the part of some proposers of candidates to seek to have them examined by some physician other than the regular Examiner appointed for the Court. There are ways in which any individual case may be attended to, but not all. This office in many instances has arranged for examinations of such applicants, but never without good cause.

This is a matter that should be left entirely in the hands of your Medical Department, and not interfered with by any local Court. The above also applies to the appointment of new Examiners. We are always ready to listen to complaints and invite just criticism along these lines; but the final decision should be made at the headquarters, where the best interests of the Order is the only consideration. With the investigation work by the Courts really dormant, the local Examiner remains to safeguard the Order in the admission of new members. Lessen the authority of the Examiner—Scatter his duties to the choice of the applicant, and you instantly make admission easy and break down the system that has proved its worth—the system that must be maintained if this Fraternity is to be known as a good reliable Order of men and women, chosen for their fitness as good physical risks.

With the mental alertness, that in the aggregate, makes our Order truly great, may you give the foregoing your best attention, and by so doing, help the great work that engages us and by all helping, our task is made more easy, and all may have the satisfaction of assisting in working out the problem that means so much to each one's fraternal welfare. Please take this matter back to your Courts and strive for united cooperation.

Short-indeed is the span of one year. Yet how many are the changes that crowd in? Looking about us, how forcibly are we reminded of the ever changing course of events, in all the activities of life. With us the passing of time should be ever watched with special interest. Our work dedicated to the care of those "who need our care the most," should be intensified, our efforts doubled and all our energies devoted to the cause which this Order has so splendidly fulfilled for so long a period of time. The opportunity is ours. A noble work is ours to be done. True to our mission, we will lead others to our fold, and to that glorious mission; our care will be for those who having served with us, no longer serve on earth, whose passing out excites our prayers, and so beyond the grave in their communion we build in perfect faith, and indestructible plan. On it in confidence we rest the future of the Great Fraternity.

Respectfully submitted,

FRANCIS J. HANLEY, M. D.,
High Medical Examiner.

On motion of Brother James J. Mockler of Bunker Hill Court No. 126, seconded by Brother Michael J. Shannon of Williams Court No. 19, it was voted that the report of the High Medical Examiner, Dr. Francis J. Hanley, be accepted as printed.

REPORT OF THE TRUSTEES OF THE HIGH COURT

Sisters and Brothers:

The Trustees of the High Court beg leave to submit the following report for your consideration:

Balance in the hands of the Trustees, December 31, 1919	$1,106,070 42
From High Secretary-Treasurer, Emergency Fund	103,068 50
Net earning from investments for the year 1920..	47,980 20
Balance in Emergency Fund, December 31, 1920..	$1,257,119 12

Invested as follows:

Municipal, State, and Government Bonds, cost price	$ 969,331 09
First Mortgage Loans	276,818 32
Old Colony Trust Company (on deposit)	10,129 65
Union Institution for Savings (on deposit)	840 06
	$1,257,119 12

The notes on the ninety-three (93) mortgages call for $276,818.32. The assessed valuation of the mortgaged property May 1, 1920, was $552,675.00, and the insurance on the buildings amounted to $447,600.00.

The cost price of the several bonds was $969,331.09, and the par value $1,025,000.00.

The net receipts from January 1 to April 1, 1921, were $12,303.53, making the total amount in the Emergency Fund, April 1, $1,269,422.65.

The net receipts since April 1, have been $7,885.34. The total amount in the Emergency Fund in the hands of the Trustees at the time of making up this report, May 1, 1921, was $1,277,307.99, invested as follows:

Union Institution for Savings (on deposit)	840 06
	$1,277,307 99

The difference in the mortage loans between December 31, 1920 and May 1, 1921, is accounted for by the payments of $12,725.00 on account of mortgage notes, and new loans amounting to $22,300.00.

Since December 31, 1920, there have been maturities of bonds owned by the Order, the cost price of which was $10,303.22.

An inspection of the securities contained in the private vault of the Security Safe Deposit Company was made by the Finance Committee, who reported that all bonds and mortgages owned by the Order were contained therein, and a certificate from the auditor of the Old Colony Trust Company that the balance to the credit of the Order was $31,046.74, as shown by the books of the High Secretary-Treasurer.

The various estates upon which the mortgage loans have been made were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer, during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

Respectfully yours,

PATRICK F. BURKE, St. Gregory Court, No. 24.
GEORGE WIRTH, Holy Trinity Court, No. 51.
JOHN J. LYNCH, Bunker Hill Court, No. 126.

On motion of Brother John W. Brown of Americus Court No. 34, seconded by Brother Thomas Mulcahy of St. John Court No. 23, it was voted that the report of the Trustees be accepted as printed.

Past High Chief Ranger Brother John F. Harrigan of McCafferty Court No. 100, presented the following resolution:

We, the Representatives to the Annual Session of the Massachusetts Catholic Order of Foresters, in convention assembled this twenty-fifth day of May, 1921, re-affirm our loyalty to those great principles of liberty and righteousness which are the foundation stones of our government and the breath of life to humanity;

We glory in that Americanism which is true to and is ever guided by those great ideals, principles, inspirations and traditions so beautifully and pertinently set forth in the Declaration of Independence adhesion to which has made our country great;

We are rejoiced that another great people, inspired by the same love for freedom which animated our forefathers, has thrown off the yoke of oppression and asserted its God-given right to decree for itself its manner and form of government;

We recognize the fact that the Irish people have established a de facto and de jure government, and are now entitled to that same recognition without intervention which ever has been extended by these United States to other nations in their struggles for liberty;

Therefore, be it resolved that we request the President of the United States in accordance with well established precedents and traditions, officially and speedily to recognize the Republic of Ireland and thereby to place himself on the plane of Washington, Jefferson, Franklin, Patrick Henry, Abraham Lincoln, and that long and illustrious list of great Americans who ever have fathered human liberty at home and abroad;

Be it further resolved that copies of these resolutions shall be forwarded to Hon. Warren G. Harding, President of the United States; Hon. Charles E. Hughes, Secretary of State; and to Hon. Henry Cabot Lodge; and Hon. David I. Walsh, United States Senators from Massachusetts.

On motion of Past High Chief Ranger Harrigan, seconded by Brother Michael Lynch of Father Supple Court No. 265, it was voted that the resolution be received and referred to the Committee on Resolutions.

The business of the convention was suspended when Mayor Andrew J. Peters of Boston, was announced, and escorted to the platform by the High Conductors.

The High Chief Ranger introduced Mayor Peters to the delegates, who addressed the convention as follows:

"It is indeed a pleasure to be here today and officially in behalf of the City of Boston and of our citizens to greet you in your convention. It is a double pleasure to me to greet you here because there is presiding over your body a man with whom I have served in public office and with whom for many years I have had the pleasure of friendship, ripening and more developed each year of our pleasant intercourse. No one who has served in public life with Mr. Sullivan can fail to realize the high ideals and noble purpose and determined idealism with which he goes about his work. I congratulate the Order and I could congratulate anybody in having so fine a representative and citizen as does it. I am particularly happy to congratulate your Order when it has had so successful a career as you have had. To your ministrations are owed much that is done to alleviate the sufferings and feelings of your members when death has bereaved them of their support. I understand you have met your claims and extended this help within seventy-two hours time when bereavement came, and showed that your order has really a heart in the provisions it makes to help and sustain and aid its members. It is particularly fortunate today, and especially a happy sign, to see an order such as yours which has old members to guide it, becoming better, stronger, more appreciated. It is a fine sign, because it shows as no more direct answer can show, that the principles of this country, of Americanism, of religion, of protection of the home and love of family, have today as vigorous and firm a grip on our people as ever in the past. We see a world in turmoil; we see new ideas presented for government. We hear derision uttered by some against the ideals of home and religion and the most sacred ideals of which all of us approve, and it seems to me you can find no better answer, or evidence, that such propaganda is failing than in the vigorous life of your order here today. We have won a war for Democracy, but we still have to keep Democracy from its enemies in the time of peace. Democracy was established only with centuries of effort, only achieved after wars and bloodshed and years of human development. We must keep it alive by having an alert and loyal and intelligent citizenship, respecting the rights of others and at the same time receiving and demanding respect for our own rights, and that is the kind of American citizenship that your Order fosters and helps. I can only say the growth of your membership, the great increase in the amount of claims which you meet and in the good work which you have done, is better evidence than anything that can be said of the necessity for your Order and its great success. The year can speak for itself of its help in the community as one of the great forces seeking to keep together and promulgate the American principles of our government, of our state, and of our city. I congratulate you, sir, and your delegates here today on the vigorous Americanship of your Order and predict to you a future even fuller of help and work and results than has been in the past and I give you my best wishes and the very best wishes of the citizens of Boston, together with a full appreciation and confidence of what you are doing for the community."

Corporation Counsel, Brother Joseph A. Sheehan addressed the convention as follows:

"His Honor the Mayor, has left the very exacting duties of the mayoralty of the great city of Boston to come here this morning in recognition of the fifty-odd thousand members of this great Order to express to them the feelings of gratitude of the city of Boston for its existence and what it has done and is doing day in and day out, year in and year out, for this great metropolitan city and commonwealth of ours. We are indeed, indebted to His Honor the Mayor for this tribute which he pays to us in extending the greetings of the city of Boston. An extremely busy business man coming here we owe to him an expression of our gratitude for this visit, and I move you that the convention express its gratitude to him by a rising vote of thanks."

The motion being duly seconded, was unanimously carried.

High Chief Ranger—"We are decidedly honored this morning when the first man of the city of Holyoke will travel from the western part of the state to come to say a word of welcome. I present His Honor Mayor Cronin of Holyoke."

Mayor Cronin—"I do not believe it is necessary for me to say that it gives me a great deal of pleasure to be here with you this morning. After your convention in Holyoke last year I felt in a sense that I was a part of the organization and I feel that here I must offer an explanation to some of those whom I met in Holyoke, now numbered as among my close friends. I promised at that time that when the next convention came I would be a member of your organization, but I am going to swear you to secrecy. I am a little too old to join your Order, but don't let it get into Holyoke. But I assure you that after the convention last year, after what I saw of your wonderful organization and the great things the organization was doing, I felt a keen interest in the affairs of the M. C. O. F. and when I met former Representative McKinney yesterday I promised him I would be here today if I possibly could to renew the friends and acquaintances I made in Holyoke. I have heard many things in reference to that convention and I believe everyone who attended felt that we in Holyoke tried to make it as pleasant for you as we possibly could. I trust no one left Holyoke feeling we had been negligent in our duty toward you and I want to say to you that Holyoke still has an interest in your organization. I want to thank you for the most cordial welcome and reception you have given me this morning, and if ever any of you pass through Holyoke you can call upon me as the Mayor, or as a private citizen and I will be glad to see you and do anything in my power. I want to

thank you again and trust that your deliberations will be of much good to the M. C. O. F."

At the conclusion of Mayor Cronin's address, on motion of Past High Chief Ranger Brennan, seconded by Past High Chief Ranger Harrigan it was voted that a rising vote of thanks be tendered to Mayor Crouin.

For Corporation Counsel—Brother James J. Lanigan of Cathedral Court No. 1, presented the name of Brother Joseph A. Sheehan of Cathedral Court No. 1. On motion of Brother James F. McCabe of Jamaica Plain Court No. 261, it was voted that nominations for the office of Corporation Counsel be closed.

For member of the Finance Committee for three years—Brother James J. Byrne of St. Peter Court No. 18, presented the name of Brother James A. Desmond of Columbia Court No. 95. On motion of Brother John Brant of Leo Court No. 5, it was voted that nominations for the office of Finance Committee for three years be closed.

For Trustee for three years—Brother John M. Schell of Germania Court No. 93, presented the name of Brother George Wirth of Holy Trinity Court No. 51. On motion of Sister Berlow of St. Cecelia Court No. 105, it was voted that nominations for the office of Trustee of the Order for three years be closed.

Brother William P. Hayes of Father Sherry Court No. 252, offered the following motion: "I move that in all cases in which there is no contest for officer that it be the sense of the convention that the High Secretary-Treasurer cast one ballot as the ballot of the convention for all unopposed candidates; and that the usual ballot system be used in the election for the two contests for officers."

The motion being duly seconded it was carried unanimously.

In accordance with the vote of the convention the High Secretary cast one ballot for the following unopposed candidates:

High Chief Ranger, Thomas F. Haley, St. Francis Court No. 4.

High Vice-Chief Ranger, James E. O'Leary, Worcester Court No. 59.

High Chief Ranger declared these officers duly elected.

High Chief Ranger—"We are all interested in the cause of freedom whether it is here within the walls of our own country, or upon the shores of that beautiful isle that has been washed for centuries by the Atlantic Ocean, or in any part of the great world. The cause of freedom is great and mighty to everyone in any part of the world. I present to you our distinguished visitor, Professor Daas of India who has something of interest to say to you."

Prof. Daas addressed the convention in behalf of the freedom of his country, as follows:

"As it is already late I will not take much of your time to express my heartfelt thanks for giving me this opportunity to talk to you regarding the freedom of India and all the oppressed people of the world who are under the subjection of any nation. I am just feeling very proud to have this opportunity to talk before the delegates of an organization which feels that their object is unity, truth and Christian charity. If Christian Charity is your ideal I would like to see the Christian principle of freedom be applied for all nations, Ireland, Egypt, India and all other countries which have contributed so much to the cause of civilization. Christianity has no double standard of morality and there should not be a double standard in international morality. All the nations that were subjects of any imperialism have been made free by the efforts of the American government which entered the great war with certain high ideals and it is time for all of you to exert yourselves as American citizens with relation to Ireland and Egypt and India that they may have equal consideration and not suffer any longer under British tyranny. Why you should pay more attention to the cause of India and Egypt and Ireland and the other countries that should be taken into your consideration because America at the present moment is menaced directly by British imperialism. Read Secretary Hoover's statements in the papers this morning. He does not mention any name, but the underhanded work that is hurting America's place and the small nation that wants control of the world you all know is England. You are all Christians, you profess Christian charity, and what is Great Britain doing in India today? Eighteen thousand opium dens licensed where men and women can go and buy opium just as you buy cigarettes here. Seven thousand of the very best acres of land are utilized for the purpose of raising it. And she is jeopardizing the American people because all of these drugs that are being consumed in this country every year in larger quantities, all come as a by-product of opium which is produced in India under the direct control of the British government. In 1912 in this country one million people were addicted to some form of drugs and today two millions of people have become an addict to drugs. All comes from India and Great Britain has a monopoly of it for the purpose of making profit out of it. India was one of the greatest countries in the world before Great Britain came in. Sixty-six per cent of our people could read and write. We come from the same Caucasian stock as all the white people. What is it today? Only 6 per cent of our people are really educated. Eleven per cent of the men and 1 per cent of the women can read and write. That is what Britain has done for education in our country.

And she has destroyed our industries. Once the richest country in the world, we are now the poorest. Ten dollars per year is the average annual income. It does not bring enough food for every individual to have one bowl of rice in the morning and in the evening, without salt even, because it costs $11.25 per year for two bowls of rice daily. So what happens? Fifty millions do not know from the beginning of the year to the end what it is to have a full meal. In 18 months 32,000,000 have died for the want of food. I can tell you the horrors of starvation are worse than the horrors of war. I could tell you more, but I want to tell you your peace is never secure as long as British imperialism tries to exploit all other countries and tries to distress all other nations that question its supremacy. There cannot be world peace until the people of these countries become free and for that reason everyone, all American citizens, should feel that we believe in the principle of government by, for and of the people and against imperialism, and we should give to other people that which we are so fortunate to have in this country. We are not propagandizing here. We are giving the truth so that England will not get American support for tyrannizing over other countries. My prayer, my humble prayer, is that you find out more about British tyranny all over the world and let the people know that the greatest curse from a Christian and moral point of view is Great Britain, and then its hypocrisy will be unveiled and people will know what it is and American money will not support imperialism as it exists there. I am very much interested that through your organizations, not only Foresters but others, we should have the privilege of spreading the truth and that as Secretary of the Sons of Freedom for India we have the privilege of speaking before the organization so that the truth will be known. The people in India are fighting just so that the truth will be known. The people in India are fighting just as Ireland is beginning to fight. It is no less strong, but the censorship keeps it down. Ninety-two killed and 132 wounded the day before yesterday's papers state, but when the truth comes out you will find it was probably far more. Give us the opportunity to spread the truth and register your sympathy for the suffering people of India. By so doing, you do nothing against anyone, but uphold the American principle of Democracy against Imperialism which is a curse against the world's peace."

On motion of Brother Michael J. Duggan of St. Malichi Court No. 81, it was voted that the address of Prof. Daas be referred to the Committee on Resolutions.

At 12.25 P. M. a recess was ordered until 2.30 P. M.

AFTERNOON SESSION

The afternoon session was called to order at 2.50 P. M. by High Chief Ranger William J. Sullivan.

Brother James J. Lanigan of Cathedral Court No. 1, Chairman of the Committee on Credentials, reported the convention was entitled to 993 representing 249 Courts and that there were 946 delegates present, representing 241 Courts.

It was voted that the report of the Committee on Credentials be accepted.

High Chief Ranger Sullivan introduced to the convention Rev. Michael J. Scanlan, Director of the Diocesan Charities, who addressed the gathering as follows:

"Your High Chief Ranger gives me what after all is a great privilege, the opportunity to say a few words to you today. First of all a greeting of thankfulness for what the M. C. O. F. is doing for the Catholic Charitable Bureau of this Diocese. In 1912 the assembled delegates in Ford Hall were kind enough to vote unanimously the support of the M. C. O. F. to the work that was intended to prevent as far as we could the increase in the number of Catholic children who came under the control of the authorities. From that day unto this you have been very devoted to the work, given it your finest moral support and very fine substantial support. Contributions annually to our Bureau in Boston and to the Bureau in the Springfield Diocese have enabled us to have agents in all the larger courts in Massachusetts, which has resulted in a great lessening of the number of Catholic children committed to public institutions. This redounds greatly to your credit. When I was Chaplain of the State Reformatory of Massachusetts in 1906 there were almost 1200 young men of the average age of 19 or 20. From the figures last month the whole population was only 395 and of that less than one-half were Catholic boys. I regard that as a wonderful contribution to the Catholic cause that you, through your support, have made it possible for Catholic agencies to protect our children and keep them out of public institutions. So convinced have you been of the greatness of the work and its necessity that you have made it a memorial to honor two of the founders of this society, so all I want to say to you today is this, that His Eminence the Cardinal, apart from the nice things I know he must have communicated to your Reverend Chaplain, in so far as you have been so substantially interested in the charities of the Diocese, desires me to communicate his feelings of gratitude for your wonderful support. I would like to ask you in addition that you give more careful consideration to the question of having each one of the Courts contribute some sum no matter how small, and of course no matter how large, to this fund from year to year. We would like to feel that every Court in Massachusetts was contributing in some measure to the support of this work. Some have done wonderfully well, some not so well, and some have done nothing. I wonder if you cannot take under serious consideration today the great question of having your own respective courts give a respectable allowance to this cause and it will help us to protect thousands in the course of a year and keep them out of public institutions. It is a matter you cherish sincerely, weigh it profoundly, and I also ask you in the name of the cause and of those two fine, self-sacrificing men that you give thorough consideration and further support to this great work and I am sure the blessing of God will be upon you, and generations will rise up and call you blessed because you are making possible one of the finest works that can be done under the auspices of a Catholic society in this country. I have a very deep sense of gratitude to the Massachusetts Catholic Order of Foresters with a fervent hope that it will continue."

The Reverend High Court Chaplain announced that he had received a letter from His Eminence, Cardinal O'Connell, who was unable to attend the convention and sent his blessings to the officers and members of the Massachusetts Catholic Order of Foresters, and wished them continued success.

The High Secretary-Treasurer read a telegram from Mayor Peter F. Sullivan of Worcester expressing his regret that unforseen circumstances prevented him coming to Boston and addressing the convention and sent his best wishes for a successful convention.

On motion of Brother Thomas J. Brennan of St. Raphael Court No. 26, duly seconded, it was voted that the communications be received and placed on file.

On motion of Brother John F. McKernan of Columbia Court No. 95, duly seconded, it was voted that we proceed to the election of the remaining officers of the High Court.

The committee to receive and count ballots assumed their stations.

At this point the Corporation Counsel, Brother Joseph A. Sheehan, moved as follows: "There is in this city today a former High Secretary-Treasurer, Daniel H. Maguire of Haverhill. He is not here in the conventional hall, but at the Westminster Hotel where headquarters are established and I think it would be a very nice thing if this convention sent a message of greeting. I move that the High Secretary-Treasurer obtain flowers and send them to the hotel with our greetings to our

High Secretary-Treasurer who so faithfully served us for ten years." The motion was duly seconded and carried.

The polls were declared open and the delegates requested to vote. After all had voted the polls were declared closed.

REPORT OF COMMITTEE ON STATE OF THE ORDER

Past High Chief Ranger Cornelius M. Duggan, chairman of the Committee on State of the Order, reported as follows:

The Committee on State of the Order accepts the report of the High Chief Ranger. The recommendation that a committee be appointed to revise the constitution, it recommends that it be referred to the next convention. The important point which the High Chief Ranger wished to impress upon the delegates was the change of beneficiaries. The committee feels that this is too broad a subject to handle now, that it is inadvisable at the present time and we can get along at least another year without revising the constitution.

The report, after being discussed, by Brothers Tremble, Deely and Coyle, on a motion duly made and seconded it was voted that the recommendation of the committee be rejected.

On motion of Brother Thomas F. Tremble of Americus Court No. 34, it was voted that the recommendation of the High Chief Ranger, relative to beneficiaries be accepted.

On motion of Brother Joseph A. Coyle of Leo Court No. 5, duly seconded, it was voted that the recommendation of the High Chief Ranger that a committee of five be appointed to revise the constitution and submit their report to the subordinate Courts, be accepted and that the committee be appointed by the incoming High Chief Ranger.

The Corporation Counsel, Brother Joseph A. Sheehan, addressed the convention as follows:

"The present High Chief Ranger today ceases to be a member of the High Standing Committee. For six years he has served as a member of that body. It is needless for me to call attention to the fact that the work of the High Standing Committee from year to year is most trying, exacting and laborious. I sometimes feel, that while you delegates realize the tremendous work that the members of the Committee do, the great mass of the membership knows very little about it. One has to be in intimate contact with the workings of that body to realize the tremendous physical and mental strain under which its members labor, and those who would, carelessly, if you will, thoughtlessly, if you will, take every occasion to criticize the High Standing Committee, are doing a tremendous injustice to the members of that body because it has been my experience, after intimate association from year to year, that they give to that Committee the best that is in them, in order that they may do the great work of the organization and help to perpetuate its existence. He has been no exception to the rule of those who have filled that exalted office. The burden is a heavy one. The strain is severe. The difficulties are innumerable. And when a man gets through six years service in that body and faithful service to the organization as High Chief Ranger, as faithfully and devotedly and as absolutely honestly as he has, we ought to express to him our feelings of gratitude. It is impossible, of course, that at all times we, as individuals, can agree on all matters that arise. It is humanly impossible for two men to approach a given subject from the same angle at all times. There are bound to be different questions on which there will not be a unanimous opinion. He may have one view, one opinion, one policy, one absolutely honest view of what ought to be done, and just so long as he is honest and wishes the organization to develop, just so long should we give to him our hearty support and encouragement, whether we agree with him or not, just so long as, in his own mind, he is absolutely honest in the position he takes and believes it is for the welfare of the organization. So I say to you that the passing of the present High Chief Ranger adds one more to the long line of High Chief Rangers who have sacrificed themselves and their interests for the welfare of the organization and I ask you to express, by your rising vote, the faith and confidence we have for the High Chief Ranger who passes out of office today. And in passing that motion I request that the convention present to him the gavel that he has wielded in this convention."

High Vice-Chief Ranger Haley put the motion which was carried.

The High Chief Ranger was presented with a basket of flowers after which he addressed the convention as follows:

"Permit me at this time to express not only to our good friend Corporation Counsel Sheehan, but to you delegates, my heartfelt thanks for his beautiful sentiments. Let me also express to those who presented this beautiful basket of flowers my heartfelt thanks. To you with whom I have worked I cannot tell you how much I have appreciated your assistance and co-operation. It is impossible for men to come together without differing. We have a right to differ. It is by that we get experience and make ourselves valuable to each other. Because of your splendid recognition now in this rising vote of thanks and in tendering to me this gavel and these roses all the labors of the past seven years have been thoroughly compensated and I hope in the humble ranks of membership I will be able to do as much in the future as in the past."

Sister Frances V. Hindenlang of St. Andrew Court No. 264, addressing the convention spoke as follows:

"Today at the close of this 42nd Annual Session we appreciate the work that our High Chief Ranger has done for us in the term that is now closing for him and as he passes out of office we send with him into his new sphere of life our best wishes and Godspeed for all the future work he may do. And as we bid Godspeed to him in the parting we welcome our incoming High Chief Ranger and on behalf of the Past Chief Rangers Association of Greater Boston for which he has worked a number of years, I have been requested to present to him this little token of their esteem and trust that all these roses may bring freshness and sweetness and blessings untold."

High Vice-Chief Ranger Haley, in accepting the basket of roses thanked the Past Chief Rangers' Association of Boston for their gift and asked for the co-operation of its members during his term of office.

High Senior Conductor Brother James E. O'Leary, expressed the gratitude of the High Standing Committee, and all of the visiting Foresters to the Past Chief Rangers' Association of Greater Boston for their kindness to the delegates who have attended this convention. On motion of High Senior Conductor O'Leary, seconded by High Junior Conductor Collins, a rising vote of thanks was given the Past Chief Rangers' Association of Greater Boston.

Following the installation of officers High Chief Ranger Brother Thomas F. Haley took the chair and delivered his inaugural address, as follows:

INAUGURAL ADDRESS OF HIGH CHIEF RANGER THOMAS F. HALEY

Sister and Brother Representatives:

"I desire to take this occasion to thank the members of this Annual Session for the great honor they have conferred on me by electing me as their High Chief Ranger for the ensuing year. I trust that the confidence that you have placed in me will not be found, at the end of my service, to have been misplaced.

"It has been the custom in the past for the retiring High Chief Ranger to make certain recommendations for the good and welfare of the Order at the Annual Session at which he presides, at a time when he is laying down the work of his office, and when he ceases to be in a position to carry out his recommendations. This custom, of course, is commendable in itself and ought to be continued. But I feel that it is the proper time now for the newly-installed High Chief Ranger to offer to this Session certain recommendations which it is believed will have a tendency not only to build up, but also to preserve, the future of this Order.

"The healthy numerical growth of the Organization is by far the most essential factor towards the preservation of the life of this or any other fraternal Organization such as ours, and I have given much thought and study in this direction for the continuance of our great gains in membership during the past few years. In this connection I submit to you the following facts in relation to the Catholic population of the Commonwealth of Massachusetts.

"According to the last Catholic Census, taken in 1909, the Catholic population of this state numbered 1,408,810 persons, divided as follows:

In the Archdiocese of Boston . .	900,000
In the Diocese of Fall River . .	176,052
In the Diocese of Springfield . .	332,758

"After making substantial deduction for children, men and women beyond our age limit, the physically unfit and the non-English speaking Catholics, I find that there are approximately 277,000 men and women eligible to be members of this great Order.

"To succeed in attaining this great number on our membership roll, much work must be accomplished, and I believe, that the time is now right to sow the seed of Forestry in many parts of this state, where today a Court of Foresters does not exist.

"In the Archdiocese of Boston we have many towns with growing parishes of English-speaking Catholics, in which I dare say that the name of the Massachusetts Catholic Order of Foresters is little known. The towns to which I refer are the following: Andover, Belmont, Bradford, Concord, Hudson, Lexington, Maynard, Methuen, Needham, Pepperell, Reading, Rockport, Wellesley, Wellington, Weymouth, Wilmington and Winthrop.

"In the Diocese of Springfield we find a similar situation in the following towns: Ashburnham, Blackstone, Dalton, Easthampton, Gardner, Great Barrington, Huntington, Indian Orchard, Jefferson, Lee, Merrick, Millbury, Southbridge, Spencer and Webster.

"In the Diocese of Fall River are the towns of Fairhaven, Hyannis, Nantucket, North Dighton, Somerset, Wareham and Wellfleet, in which no Court of our Order exists. Residents of some of those towns are members of Courts in near-by places.

"In order that Courts may be organized in the various towns I have enumerated, it is my intention, with the approval of the High Standing Committee, to appoint many Deputy High Chief Rangers at Large, whose duties shall be, with the assistance of other active Foresters in their localities, to do the necessary missionary work to establish such Courts. I feel that your High Standing Committee will lend every assistance necessary for the success of these endeavors.

"I trust you will take back to your Subordinate Courts the thought that what is needed most today is the co-operation of every individual member in the progress and promotion of the Courts and of the Order. And also the further thought that they must bear in mind this fact: That the High Standing Committee is in reality the Board of Directors of a Corporation representing over $55,000,000 of investment, and that consequently the members of the Committee cannot neglect business duties for minor matters that should properly be attended to by the Deputy High Chief Rangers.

"Heretofore, in the matter of the appointing of Deputy High Chief Rangers, the members of the small Courts of the Order were in many cases overlooked. This year, it is my intention that a member of each Court in the Order shall be selected to serve as a Deputy High Chief Ranger of one of our Subordinate Courts. Acceptance of appointments as Deputy High Chief Rangers this year will mean that a line of work consistent with the appointments must be absolutely accomplished, numerous visitations must be made, and their presence at the auditing of the financial officers' books, and their approval of the quarterly reports will be strictly enforced.

"Another very important fact I would like to call to your attention is the proper protection of Subordinate Court funds. The Constitution calls for the bonding of financial officers, the minimum amount of the bond being $500. It is amazing to note that 95 per cent of our Courts have their officers bonded for the minimum amount, regardless of much larger funds carried by many Courts. I hope that in the near future, when your Courts receive suggestions as to the amount for which the financial officers should be bonded, you, as the earnest active members of your respective Courts, will approve of our action.

"In closing let me again thank you for this great honor, and express to you the trust that this year the Organization will grow as it has in the past, and that the watchword for the coming year will be ever before you—'Co-operation-Harmony'."

At the conclusion of the High Chief Ranger's address, on motion of Past High Chief Ranger Brennan, duly seconded, it was voted that the address of High Chief Ranger Haley be printed and distributed to the subordinate Courts within three weeks.

On motion of Thomas F. Kelley of the High Finance Committee, it was voted that the place to hold our next convention be referred to the High Standing Committee.

On motion of Corporation Counsel Brother Joseph A. Sheehan, it was voted that the reading of the minutes of the session be dispensed with and that they stand approved as presented by the High Secretary-Treasurer.

The High Secretary-Treasurer was then sworn in as follows:

Suffolk, SS. Boston, Mass., May 25, 1921.

Personally appeared before me Joseph J. Forrester, High Secretary-Treasurer of the Massachusetts Catholic Order of Foresters, and made oath to faithfully perform the duties of said office of High Secretary-Treasurer during the term of his election, and until his successor is installed.

Jeremiah G. Fennessey, Justice of the Peace.

There being no further business, on motion of Past High Chief Ranger Brennan, duly seconded, it was voted to adjourn.
